

# INFORMATION PORTAL FOR FOREIGNERS

## FOR SCHOOLS

### Are there international students studying at your school?

The Information Portal for Foreigners will serve you as a source of information regarding their residence in the Czech Republic.

Your students can get information about their residence or the rights and obligations associated with it.

Your students can create their own user account on the Portal. Through this, they will be able to book appointments at the Ministry of the Interior's office or manage their appointments easily online.

The Portal is also available **in English**.

#### Information for foreigners:

- Forms and documents available for download
- General information on types of visas and residencies or on legal obligations
- Reservation system allowing to book an appointment at the Ministry of the Interior

**Do you have students with temporary protection visa?**  
You can find all information about this residence permit here.
