

Best Research and Practice Project Award 2015

Learning Mathematics through new Communication Factors (Le-MATH)

Dr. Gregory Makrides and colleagues

Cyprus Mathematical Society, Cyprus

Has been nominated for the EAPRIL Best Research and Practice Project (BR&PP) Award 2015, together with 3 other projects. In the final round this project ended in a 2nd place. With this nomination and 2nd place, EAPRIL wants to acknowledge the high quality of this practice-based research project, conducted by practitioner researchers in the field of education, learning and instruction, and training and development.

The Awarding Committee consists of the following members: Frank de Jong (EAPRIL Chair), Arnoud Evers (EAPRIL Board Member), Jörg Holle (EAPRIL Board Member), Charles Max (Local Organising Committee Luxembourg), and Alberto Cattaneo (Winner BR&PP 2014)

The Awarding Committee would like to thank and congratulate you for your application and participation in the EAPRIL 2015 conference.
