Virtual Study Abroad Program - Universität Hamburg (summer semester 2024)

- Dear partners,

Warm greetings from Hamburg!

In the upcoming summer semester 2024, we continue our virtual course program for students from partner universities.

We would like to offer you 3 intensive language courses that start before the official beginning of the semester and 5 semester language courses. The courses are free of charge for your students and are not counted towards the balance of our regular student exchange. In the appendix you will find the course details. Students, who complete the course and take an exam, can get a transcript for the courses (3 - 6 ECTS/course).

**The application deadline for our intensive courses is February 16Th and the deadline for our semester courses is March 8TH**

The students who want to take part in the program can fill out the [application](#) form attached and send it directly to me. Please note that the courses take place at German local time.

We need proof of language proficiency for the required level. If the interested students do not have such proof, they can also take an online test (German: <https://daf.check.uni-hamburg.de/c-test/> English: <https://www.cambridgeenglish.org/de/test-your-english/>) or take a short test with one of our lecturers. If this is the case, the students can just simply contact me via Mail.

Please feel free to contact me in case of questions.

Many thanks, and kind regards,

Annika Johannsen ( [annika.johannsen@uni-hamburg.de](mailto:annika.johannsen@uni-hamburg.de) )
