DEAR COLLEAGUES!

We invite you to take part in the  
Xth International Student Scientific Conference  
"Modern Views and Current Problems of Pedagogical Education"  
X th International Student Scientific Conference  
"Modern Views and Current Problems of Pedagogical Education"

DATE: 20 MARCH 2025

The event will take place at the Department of Primary and Preschool Education, Faculty of Pedagogical Education, Ivan Franko National University of Lviv.

The event's objective is to convene students not indifferent to the development of modern pedagogical science to discuss topical issues of the impact of pedagogical sciences on the development of society.

MAIN THEMATIC AREAS OF THE CONFERENCE:

The following issues are currently under discussion:

- preschool and primary education, early years education;
- special educational needs;
- social, student, scientific and pedagogical activities;
- pedagogy of higher education;
- linguistic pedagogy in preschool and primary education;
- methods of teaching a foreign language in preschool and primary schools;
- the integration of Ukrainian education into the global educational space; and
- the organisation of the educational process under martial law.

Conference languages: Ukrainian, Polish, English

Participation in the conference is complimentary.

We hereby invite scholars, specialists in pedagogy, candidates for academic degrees, teachers, postgraduate students, master's students, and undergraduates to participate in the conference. We invite scholars, specialists in the field of pedagogy, candidates for academic degrees, teachers, postgraduate students, master's students, and undergraduates to participate in the conference.

HOW TO BECOME A CONFERENCE PARTICIPANT?

In order to be included in the conference programme, it is necessary to submit your conference paper no later than 10 (th) March 2025, to

[halyna.krokhmalna@lnu.edu.ua](mailto:halyna.krokhmalna@lnu.edu.ua) in one file:

- application of the conference participant (Annex 1)
- conference paper (requirements in Annex 2);
- a scanned copy of the supervisor's review (Annex 3).

PROHIBITION OF THE USE OF SCIENTIFIC WORKS OF THE OCCUPYING COUNTRY:

It is imperative to note that the inclusion of quotations within the text, along with the incorporation of sources published in Russian in any country, is strictly prohibited. This prohibition also extends to sources published in languages other than Russian if published in Russia and Belarus.

As a consequence of the conference, participants who contributed to the proceedings in person will be furnished with the following documentation in electronic form: a certificate of participation in the event, the conference program, and a compendium of published articles entitled "Educational Almanac."

The e-version of the conference materials will be made available in the "Educational Almanac" and uploaded to the Faculty of Teacher Education's webpage: <https://pedagogy.lnu.edu.ua/research/olimpiady-ta-konkursy> . The matter pertaining to the "Educational Almanac" and the materials of the papers is scheduled for 20 April 2025.
