
Fractals

Seminars on Fractals with Anna Soos (“BABES BOLYAI” UNIVERSITY OF CLUJ-NAPOCA).

An introduction to fractals. Fractals are self-similar geometric objects – whatever scale or resolution we use to observe the image, we can see the same specific repetitive figure.

Start: 14.5. 2018 in 14:00

End: 14.5. 2018 in 15:30

Organised by: KMDM

Place: R302
